The transfer of the student of Delhi Public School, Raipur to other Delhi Public Schools will not be possible due to change of residence or other circumstances whatsoever.

Delhi Public School, Raipur will cover majority of areas of Raipur but, it will not be obligatory on the part of school authorities to make new routes or extend routes or to create additional stops. It will be the sole responsibility of the parent to escort their child to and from the fixed stop.

I do understand that the philosophy of education of Delhi Public School, Raipur is to lay a great deal of stress on sports and excursions, swimming and other co-curricular activities which involve some amount of risk. I as a parent/guardian will fully co-operate with the school in this direction.
